**FOR IMMEDIATE RELEASE**

**HOLD ON... LET ME TAKE A SELFIE!**

Over the past 3 years, Harrisburg Medical Center has received 78 Healthcare Service Excellence Awards! This is a great accomplishment that we are very proud of! Many of you will be seeing HMC employees sporting their new Awards T-Shirts and, yes that's right, taking selfies! HMC's Momentum and Morale group is holding a contest for HMC employees. The object is to take as many "selfies" as you can wearing your HMC "78 Awards in 3 Years" t-shirt in front of local businesses, known landmarks, vacation spots, with a local or national celebrity, etc. The employee who has the most points at the end of the contest will win their choice of a 2 night stay at one of the four local vacation spots the Momentum and Morale group has chosen. We encourage businesses to jump in the picture too when you see an HMC employee taking a "selfie" at your location!
