HARRISBURG MEDICAL CENTER CELEBRATES HOSPITAL WEEK 2014!

Harrisburg Medical Center had a lot of fun participating in National Hospital Week May -. For each day of the week, a theme was assigned for employees to dress up. The week kicked off with Monday being Sports Day, Tuesday- Blast from the Past, Wednesday- Camo Day, Thursday- Rockstar Day, and Friday employees sported their new t-shirts that display the **"78 Awards In 3 Years"** the hospital has received. In addition to the snacks passed out each day, Thursday being the favorite- "Ice Cream Social!", employees were challenged to test their trivia knowledge with trivia games related to each themed day.
