FOR IMMEDIATE RELEASE

Harrisburg Medical Center is excited to welcome 4 students in partnership with the SEI-grow (South eastern Illinois Rural Health Workforce Development Network) 6-Week Rural Interdisciplinary Health Professions Summer Preceptorship offered by The National Center for Rural Health Professions located at the University of Illinois Rockford Campus.

The Rural Interprofessional Health Professions Summer Preceptorship is a paid 6 week experience for graduate and professional level students who are enrolled in a health professions program including but not limited to: medicine, physician assistant, pharmacy, nursing, public health, social work, physical therapy, nutrition, etc. Four to six students representing the different health professions are selected for this Interprofessional experience. Students are exposed to all aspects of a rural healthcare community. For more information about this or other opportunities at HMC contact Dorene L. Ewell 618.253.0249
